**Explanation of Responses:**

- The reporting person was granted time-based restricted stock units, with each unit representing a contingent right to receive one share of the issuer's common stock. The grant of restricted stock units will fully vest on April 6, 2021, which is the first anniversary of the date on which the grant was made, subject to the reporting person's continued service through that date.
- Restricted stock units were awarded in lieu of a percentage of the reporting person's base salary pursuant to the issuer's voluntary equity for salary program, with the number of restricted stock units determined by dividing the amount of salary deferred by the Black-Scholes value of a restricted stock unit on the date the grant was made.
