SAFE HARBOR

This presentation contains "forward-looking" statements within the meaning of the Private Securities Litigation Reform Act of 1995, including but not limited to statements relating to estimates and projections of future earnings per share, cash flow and revenue growth and other financial results, developments relating to our customers and end-markets, plans concerning business development opportunities, acquisitions or divestitures. Words such as "believes," "intends," "anticipates," "plans," "expects," "projects," "forecasts," "will" and similar expressions, and references to guidance, are intended to identify forward-looking statements. Such statements are based on management's current assumptions and expectations and no assurances can be given that our assumptions or expectations will prove to be correct. A number of important risk factors could cause actual results to differ materially from the results described, implied or projected in any forward-looking statements. A detailed description of these risk factors can be found under the caption “Risk Factors” in our most recent annual report on Form 10-K and in our other filings with the Securities and Exchange Commission. We disclaim any intention or obligation to update any forward-looking statements as a result of developments occurring after the date of this presentation.

In addition to financial measures prepared in accordance with generally accepted accounting principles (GAAP), this presentation also contains non-GAAP financial measures. A reconciliation of these measures to the most directly comparable GAAP measures is included in the embedded hyperlink and is available on the “Financial Information” section of our website at www.perkinelmer.com.
